

# EM Security Systems From D-Tech

## EM Security Systems

**EM (electromagnetic technology) is a very popular technology for libraries because it is efficient, cost effective and easily integrates into LMS systems.**

**We offer a wide variety of compact, modern, stylish electromagnetic security products in a variety of format options to suit all types and sizes of libraries.**

## Deact/React Units

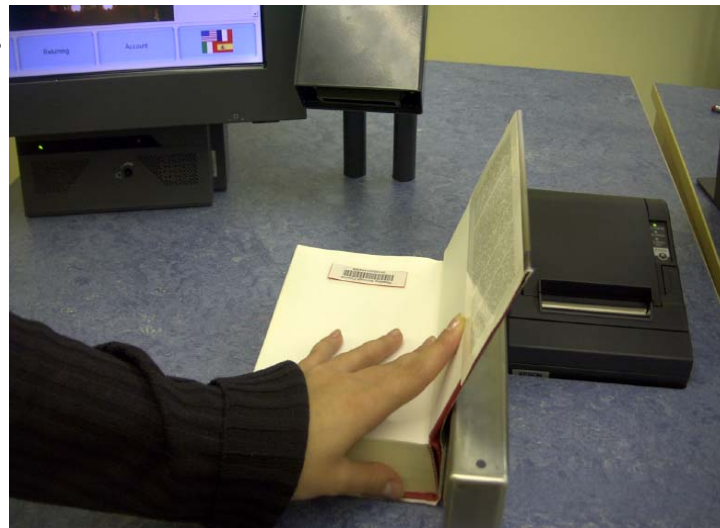

**All units, except the scanner option, are available in desktop or flush mount fittings, in brush stainless steel. Both units can be linked to your LMS.**

**Our deact/react units are compatible with many other label suppliers including 3M and Checkpoint.**

## Self Issue/Returns

**The compact, ergonomic design of these units makes it suitable for many different library environments and it can be adapted to blend with your library design.**

- **Self issue and returns from a single workstation**
- **Touch screen controls**
- **Clear displays and user friendly**
- **Integral omni-directional scanner takes the pain out of reading barcodes**
- **Can be security enabled and disabled**
- **Slip printer for transaction confirmations**
- **Available in free standing or desktop units**
- **Various colours available**

**Building 136  
Bentwaters Parks  
Rendlesham  
Woodbridge  
Suffolk IP12 2TW**
