Desktop 'ICE' Self Service Exclusively from D-Tech

D-Tech have designed a new generation of Self-Service software, aimed to make life easier for users.

The "cool" ICE Self-Service, in it's clear green perspex is a modern desktop design and is available with both 15 and 19 inch screens and with many optional extras it suits everyone's needs.

The ICE Self Service is available with Barcode only reader or EM (Electromagnetic) technology, and is able to link to your Library Management System.

The system can also be configured for use with RFID
